Boys by Aneta Bartos

ZOO Magazine #23 featured Aneta Bartos's daring photography series *4 Sale*, which showed herself and three other female artists naked, enjoying and exploring their female sexuality openly. Yet again the Polish-born photographer is ready to challenge the viewer's eye with her provocative ideas.

The show of Aneta Bartos' new project *Boys* will be opening January 31st in NYC.

Boys revisits a similar idea as *4 Sale*, only focussing on men this time. It displays men in pleasurable positions and intimate settings. The aesthetics of the pictures remind of old paintings, but the postures of the bare bodies in the dimly lit rooms are shockingly real.

The opening of the show is from 18-21 hrs on Thursday, January 31st. The exhibition will be on view until the 21st of February. The show's curator is Jon Feinstein, the location will be room 1A and 4A of the Carlton Arms Hotel, 160 E. 25 St., NYC.
