4 SALE COLLABORATION, OPENING TOMORROW, NEW YORK

4 Sale debuts the culmination of the year long creative union between ANETA BARTOS, ELLE MULIARCHYK, YANA TOYBER, and MARTYNKA WAWRZYNIAK. The physicality and sensuality deliver a pure perspective free from taboos, victimization, male-dominance, exploitation. Each artist conceptualizes unique realities within her framed vignettes, thus illustrating how each artist proclaims her unique voice. *4 Sale* captures the essence of the dynamic nature within this collaboration curated by ANNE HUNTINGTON. *4 Sale* opening tomorrow and runs until the 22nd November at 8 Bond Street, New York.
